

Mitchell C. Brown, LAUC-I

### **Statement of Candidacy**

"I look forward to the opportunity to serve the members of LAUC as Vice-President/President-Elect. Since coming to UC Irvine, I have watched the interaction among colleagues at other UC campuses on issues of professional governance and development. Looking to the future, I see a role for LAUC in shaping the future of UC libraries by being involved in systemwide projects, working groups, and initiatives that will influence the University's libraries and librarians. I look forward to representing the interests of my colleagues as LAUC Vice-President/President-Elect."

### **Biographical Summary**

#### **Education**

University of Texas, Austin (1994)  
Master of Library and Information Studies

Carnegie-Mellon University (1988) B.S., Physics

#### **Professional Employment History**
