LAUC Committee on Professional Governance
Librarians Association of the University of California

TO: Michael Yonezawa, Chair, LAUC Committee on Professional Governance
FR: Dana Peterman, LAUC President
RE: 2016-17 Charge, LAUC Committee on Professional Governance

I am pleased to appoint you 2016-17 Chair of the LAUC Committee on Professional Governance for a term commencing October 1, 2016 and ending September 30, 2017.

Administrative Structure

Please note that LAUC Committees fall under LAUC Executive Board purview. The LAUC President sets overall priorities for committee work by means of the committee’s charge. The primary duty of each LAUC committee is to fulfill the charge given to it by the LAUC President. Once a committee’s charge has been fulfilled, the committee may address other issues, with the approval of the LAUC President.

Committee Background and Significance

For LAUC, the term “professional governance” primarily relates to issues regarding peer review and the status of librarians at the University of California. LAUC represents all UC librarians, both managers and non-managers. Committee members have the significant responsibility to represent the views and needs of the entire membership.

General Charge

For 2016-17, the Committee is charged with fulfilling its standing charge, Article VIII. Section 1.e.1 (approved by UCOP March 23, 2009):

a. Advise the President and the Executive Board on issues that affect librarians, peer review, and other professional governance issues.
b. Serve as a review body for Divisions who may request evaluation of local peer review procedures.
c. Serve as a Bylaws review committee for proposed changes to the LAUC Bylaws and Standing Rules. Be available to review the Divisions’ Bylaws for consistency with the LAUC Bylaws and Standing Rules, and to consult with Divisions on request.
d. Address other subjects at the request of the President and consider and develop recommendations on matters of librarian professional governance.
Specific Charges for 2016-17

1. Investigate the two or more Bylaws changes that have elicited substantial comment or concern in the past 50 years and provide editorial pieces to be published on the LAUC blog and website of not more than 500 words per article. The articles are the responsibility of the committee, but do not have to be written by its members. The committee is encouraged to seek out both past and present LAUC members for their views and/or authorship.

Timeline
The Committee Chair should report to the President any concerns surrounding meeting its charges.

The Chair of this standing committee will be expected to attend the monthly conference calls of the Board. If there is a time conflict, another member should be assigned to the call and the President or Secretary should be notified.

A preliminary status report to the President on the committee’s progress is due by January 31, 2017. If the Committee wishes to engage the LAUC Assembly in April 2017 and/or general membership in discussion regarding these charges, relevant information should be provided as part of the report.

The committee shall publish articles on the website at least one week prior to the Assembly and include them as attachments to the final report.

The committee should prepare a report for presentation at the Assembly on April 20, 2017.

The committee will submit its final committee report to the President by September 12, 2017.

Reports should be submitted using the following format:
