

Candidate Statement for LAUC Secretary
Jennifer Garafolo, LAUC-LA

Statement of Interest

I am excited to be a candidate for the office of LAUC Secretary, and for the opportunity to get involved with the statewide association. I served as LAUC-LA Secretary in 2021-22, where I worked to maintain thorough, accurate records and circulate information in a clear and timely manner. I am eager to use the skills and knowledge acquired in that role at the statewide level. Additionally, I am interested in collaborating with librarians from other campuses and learning from their expertise. The Secretary's work is fundamental to maintaining the integrity of an organization's records. I would be pleased to serve LAUC and its members by taking on this task.
