

I, Angela K. Horne, consent to run for LAUC Secretary for the academic year 2016-2017.

Candidate statement:

During my first year in the UC system, I was privileged to attend the 2013 LAUC statewide meeting at UCLA. I appreciated meeting some of you while volunteering at the registration desk and seeing LAUC "in action" first-hand was a terrific introduction to the organization's important work. That meeting was also a motivator to get involved. Since then, I've served each year on a LAUC-LA committee and have valued highly these opportunities to work with my colleagues.

I would be honored to serve as LAUC secretary and support the organization system-wide. My professional experience as listed below gives a brief overview of the organizational, communication, and networking skills that would help me perform the secretary's duties. Thank you for your consideration.
