ACCOMPLISHMENTS AND EVALUATION

Please respond to the following as appropriate:

- Describe what was achieved during the time period of the grant.
- What aspects were completed as proposed? If your study could not be completed as proposed, explain how your plans were altered.
- Did the project accomplish what it intended? Did it make a difference?
- Include any relevant quantitative data, if applicable (e.g. How many individuals have benefited from this project and in what way? You may include various output measures such as circulation/reference transactions, program attendance, survey responses, etc.).
- Include any anecdotes, if applicable.
- What would you do differently next time, if anything?

Is your project completed?

Yes

No

If No, what is needed to complete the project? More time, funds?

FINANCIAL STATEMENT

Please explain how the funds received were spent. Attach your original budget and indicate how well your estimates matched with actual expenditures. Receipts are not necessary.

SHARING YOUR PRODUCT/RESULTS

What are your plans for disseminating the results of your work? If it will be a webpage or product, or published article or book, when will it be available to the public? Include citations/URLs if known. Remember that all final products must acknowledge receipt of funds from LAUC.
