*** The R&PD Budget for 2023-24 was supplemented by the LAUC President in the amount of \$5,240.00. This amount came from the remainder of the fund of the Past Past President (R. Green), which UCOP earmarked for R&PD. These funds were used to fund the Non-Represented grants. The negative balance recorded for non-member librarians is thus made up for, leaving a balance of \$1,808.00 in the these supplemental funds for the Second Call.**
