RE: 2021-2022 Charge, LAUC Research & Professional Development Committee

Dear Mary-Michelle,

By nature of your position as Vice President / President-Elect of LAUC, you are hereby appointed to serve as the 2021-2022 Chair of the LAUC Research & Professional Development Committee (R&PD) for a term commencing October 1, 2021 and ending September 30, 2022.

Administrative Structure

Please note that LAUC Committees fall under LAUC Executive Board purview. The LAUC President sets overall priorities for committee work by means of the committee's charge. The primary duty of each LAUC committee is to fulfill the charge given to it by the LAUC President. Once a committee's charge has been fulfilled, the committee may address other issues, with the approval of the LAUC President.

Committee Background and Significance

Research and professional development are key elements not only for continuing the growth and education of the individuals directly involved in the activity, but also for sharing our good work with others. The members of this Committee have important responsibilities. The Committee members working with the Divisional research committees encourage and support LAUC members in designing and developing research proposals. Once proposals have been submitted from the Divisional committees, the Committee members will review the proposals carefully and make recommendations for funding.

General Charge

For 2021-2022, the Committee is charged with fulfilling its standing charge under Article VIII, Section 1(f)(2):

1. Solicit and review research proposals submitted to the Statewide Research Grants for Librarians Program by LAUC members and recommend funding of proposals to the Office of the President.
2. Develop, monitor, and revise, as needed, procedures for carrying out the review of research proposals.
3. Develop guidelines for application to the Statewide Research Grants for Librarians Program and recommend revisions as needed.
4. Advise the President and the Executive Board on issues related to research and professional development for librarians and address other subjects at the request of the President.

Specific Charges for 2021-2022

1. Consider updating the website's Grant Recipients' Table with abstracts from past grant applications.
2. Host at least one statewide R&PD event for all of the campuses, on a topic such as the research process or grant process. This event may take place in conjunction with the Spring Assembly.
3. Revise and update the R&PD webpages and grant forms, as needed.
4. Coordinate with the Committee on Professional Governance to research and report on LAUC members' experiences with PI status at the different campuses. Work will include a survey of all LAUC members and a written report/recommendation based on the results.

Timeline

As Chair of a standing committee, you are expected to attend the Board's monthly conference calls. If there is a conflict, please let me know in advance.

The Committee Call and Calendar govern the award process. The Committee will need to present a mid-year report to the LAUC membership at the 2022 LAUC Spring Assembly. The report will include information on the 2021-2022 grant awardees, as well as the current activity of the Committee. The Committee will also need to submit a final committee report to the President by September 1, 2022.

Reports should be submitted using the following format:
