TITLE OF PROJECT

A Collaborative Approach for GIS Historical Maps Metadata Project

Award Amount

$500

Original Abstract as Submitted

Please see attached

ACCOMPLISHMENTS AND EVALUATION

Please respond to the following as appropriate:

-Describe what was achieved during the time period of the grant.

-What aspects were completed as proposed? If your study could not be completed as proposed, explain how your plans were altered.

-Did the project accomplish what it intended? Did it make a difference?

-Include any relevant quantitative data, if applicable (e.g. How many individuals have benefited from this project? In what way? This may include various output measures such as circulation, reference transactions, program attendance, survey responses, etc. as appropriate.)

-Include any anecdotes, if applicable.

-What would you do differently next time, if anything?

The project was complete at the time of application. In the future, I am planning to further work on improving metadata for digital humaqnities projects

Is your project completed?

◉ Yes

◯ No

If No, what is needed to complete the project? More time, funds?

FINANCIAL STATEMENT

Please explain how the funds received were spent.   Attach your original budget and indicate how well your estimates matched with actual expenditures. Receipts are not necessary.

The grant was used for part of the travel expense.

SHARING YOUR PRODUCT/RESULTS

What are your plans for disseminating the results of your work? If it will be a web page or product, or published article or book, when will it be available to the public? Include citations/ URLs if known.

I am considering submitting the poster to eScholarship.
