**TITLE OF PROJECT:**

Time Period of Grant: April 2013  
Amount of Award Received: \$2115  
Original Abstract as Submitted: [see attached]

**I. ACCOMPLISHMENTS and EVALUATION**

- My stay in the successor states of the former Yugoslavia was devoted to consulting library collections, along with the departments and institutes that specialize in viticulture. The assurances made to me by librarians and library directors in the former Yugoslavia that vast amounts of uncatalogued and unique pieces of gray literature were accurate. I was able to consult six libraries in four cities in three countries within the two-week period.
- I was able to identify practically every publication on grapes, grape-growing, and wine-making published in the former Yugoslavia in the past two centuries. My bibliography will, when published, provided an exhaustive description of this scientific literature.
- I was also able to advise the director of the Institute for Adriatic Crops and Karst Reclamation how best to protect and preserve a unique special collection, the personal library of Croatian plant scientist Stanko Ozanic, for international scholarship.

**II. IS YOUR PROJECT COMPLETED? Yes**

All possible citations have been identified. All that remains is the writing of the bibliography itself.

**III. FINANCIAL STATEMENT**

I was able to keep to my planned budget – airfare, travel costs, accommodations, and expenditures were within reason and anticipation. See attached budget.

**IV. SHARING YOUR PRODUCT/RESULTS**

I will publish my bibliography in 2014 using the CDL's eScholarship platform.

**V. NOTE**

Information included in this report may be reprinted or posted on the web for dissemination to UCOP, other UC Libraries, and future potential LAUC grant applicants.
