

# Candidate for LAUC Secretary, 2017-2018

## Monica Singh, LAUC-B

### **Candidate Statement**

I am running for the office of LAUC secretary for the 2017-2018 year and ask for your support. In 2011, I attended LAUC spring assembly at UCSB and met with colleagues across the UCs. I appreciated the value and importance of LAUC's advisory role in governance and professional issues that librarians face systemwide. In the last couple of years, I worked with colleagues across campuses on several LAUC task forces dealing with enhancing the visibility of LAUC members' professional contributions. I would be honored to serve systemwide LAUC as Secretary.

I have also served on and chaired numerous committees and working groups with LAUC-B, the UCB Library and UCB Business School during my tenure as a Business Librarian at UCB. My education and professional experience as well as my service to LAUC, LAUC-B, and UCB Library is detailed below.

### **Education**

- Masters in Library and Information Science, San Joe State University, San Jose, Ca
- Bachelor of Science, Conservation & Resource Studies, University of California, Berkeley

### **Professional Experience:**
