Original Abstract as Submitted:

I am writing to request a presentation grant for a paper to be given at RBMS 2016, “Opening Doors to Collaboration, Outreach, and Diversity,” which will be held in Coral Gables Florida, Tuesday, June 21, 2016 – Friday, June 24, 2016. As the presenter, I will give a report on the UCI collaborative project titled “Piloting Linked Open Data for Artists’ Books.” As noted in my enclosed acceptance email, I will include pilot-project implementation updates, notes, challenges, and best practices.

I. ACCOMPLISHMENTS and EVALUATION

- Did the project accomplish what it intended? Did it make a difference?
 - Include any relevant quantitative data, if applicable (e.g. How many individuals have benefited from this project? In what way? This may include various output measures such as circulation, reference transactions, program attendance, survey responses, etc. as appropriate.)
 - Include any anecdotes, if applicable.
 - Tweets sent regarding the presentation:

II. IS YOUR PROJECT COMPLETED? Yes_✓_ No__

If No, what is needed to complete the project? Is more time needed? Or more funds?

III. FINANCIAL STATEMENT

Please explain how the funds received were spent. Attach your original budget and indicate how well your estimates matched with actual expenditures. Receipts are not necessary.

Original Budget

<i>Item</i>	<i>Amount</i>

Hotel June 21 – June 24	\$506.00
Conference Registration	\$340.00

I did not spend as much on food; all other estimates were correct. The LAUC grant covered my conference registration and assisted in paying for the hotel.

IV. SHARING YOUR PRODUCT/RESULTS

What are your plans for disseminating the results of your work? If it will be a web page or product, or published article or book, when will it be available to the public? Include citations/URLs if known.

RBMS has not asked for the slides from the presentation. If they do, however, I will gladly share them.

V. NOTE

Information included in this report may be reprinted or posted on the web for dissemination to UCOP, other UC Libraries, and future potential LAUC grant applicants.
