TITLE OF PROJECT: Open Access Roles for the Library

Time Period of Grant: May 2015

Amount of Award Received: \$210

Original Abstract as Submitted: OA publishing has become an integral part of the academic sphere. Anneliese Taylor will speak about the medical library's relationship with open access publishing and funder mandates for public access to research results. She will address roles within the library and the importance of collaboration with institutional partners.

I. ACCOMPLISHMENTS and EVALUATION

- Describe what was achieved during the time period of the grant.
 - o I presented a paper at the Medical Library Association Conference in Austin, Texas. The grant helped cover my costs to attend the conference.
- What aspects were completed as proposed? If your study could not be completed as proposed, explain how your plans were altered.
 - o All aspects were completed
- Did the project accomplish what it intended? Did it make a difference?
 - o Yes; I presented as part of a panel of four speakers on the topic of Open Access and the Library Infrastructure. There were approximately 60 people present during my talk. I answered several questions from the audience during Q&A and got some positive feedback afterwards.
- What would you do differently next time, if anything?
- What advice do you have for others applying for LAUC research grants?

II. IS YOUR PROJECT COMPLETED? Yes X No

If No, what is needed to complete the project? Is more time needed? Or more funds?

III. FINANCIAL STATEMENT

Please explain how the funds received were spent. Attach your original budget and indicate how well your estimates matched with actual expenditures. Receipts are not necessary.

- The funds I received went towards my travel expenses, particularly my lodging expense.

IV. SHARING YOUR PRODUCT/RESULTS

What are your plans for disseminating the results of your work? If it will be a web page or product, or published article or book, when will it be available to the public? Include citations/URLs if known.

- Slides from my talk are available at <http://dx.doi.org/10.6084/m9.figshare.1510230>.
